

## Social Marketing

Social Marketing offers local businesses a dedicated place to compose, schedule, and publish content across social profiles to build customer trust and attract more leads.

### One central dashboard

Consolidate and manage content for Facebook, Instagram, Twitter, Google Business Profile, and LinkedIn all from one place.

### Simplified content creation

Easily create and schedule content ahead of time and manage posts across profiles with a convenient calendar view.

### Royalty-free images

Quickly find ready-to-share images for your posts with an ever-expanding content library.

### Enhanced strategy

Plan content that attracts more leads and appeals to your target audience with customized keyword searches.

### Streamlined reporting

Track engagement and reach metrics and easily identify top-performing posts across social profiles.
